

Join the CSU for LIVE LMS Demonstrations!

The CSU needs your feedback on Learning Management Systems (LMS). We are currently in a system-wide RFP process of evaluating potential products and vendors. The results of this process would lead to multiple vendor contractual agreements at the Chancellor's Office, allowing campuses to purchase from those contracts, should they chose to do so in the next four years.

You are invited to join the CSU Webinars to review and give feedback on each vendor's LMS: **Blackboard Learn, Canvas, and BrightSpace!** You can also sign up to tryout the LMS hands on through the available sandboxes. To request access or ask questions, please contact your local [Campus Coordinator](#). Evaluation forms for the LMS online demo and sandboxes are available from your [Campus Coordinator](#).

Here's the webinar date and times for live product demonstrations. There will be opportunities for you to ask questions!

Blackboard Learn:

April 26 from 10:00AM-12:00N

Canvas:

April 27 from 10:00AM-12:00N

Blackboard Collaborate, Analytics, and Outcomes:

April 28 from 2:00-4:00PM

BrightSpace:

April 29 from 2:00-4:00PM

BrightSpace Leap:

May 4th from 1:00-2:00PM
